Dear Mr. Averett

This shall respond to your letter of July 12, 2000, regarding the April Monthly Report (3/1/00-3/31/00) filed by the above-referenced committee.

First, you requested clarification regarding the missing contributor information on the committee's April Monthly Report. We are awaiting additional contributor information, but enclose an amendment to Schedule A containing the contributor information received to date. The committee regularly includes a clear and conspicuous request for contributor information on its solicitations, and maintains a system for contacting in writing those contributors who donate in excess of \$200 in a calendar year who have not provided the information requested. We attempt to amend the committee's reports as promptly as possible once the additional information is provided. However, many of the committee's requests have not been responded to by the contributors.

With regard to Schedule B, we already filed an amendment for Line 23 dated July 14, 2000 (which crossed with your letter), indicating that the contribution to the DSCC was to be properly designated as a \$15,000 contribution to the DSCC's federal account and a \$10,000 contribution to the DSCC's non-federal account. Enclosed is a courtesy copy of the July 14 amendment which we filed.

In addition, the amendment provided the appropriate state and district information for the Senate and Congressional contributions listed on Schedule B, Line 23. Finally, in answer to your question, we understand that Friends of Lane Davis is a federal committee supporting Lane Davis' campaign for the Seventeenth Congressional District in the State of Illinois.
